Assistant Commissioner for Patents

Sir:

This is submitted in response to the outstanding final Office Action dated October 11, 2002, in the above-identified application. A Notice of Appeal is submitted concurrently herewith.

REMARKS

The present application was filed on January 13, 1999 with claims 1-16. New claim 17 was added in an Amendment filed by Applicant on July 25, 2002. In the final Office Action, the Examiner rejected claims 1, 2 and 9-17 under 35 U.S.C. § 102(e) as being anticipated by U.S. Patent No. 5,933,412 (hereinafter "Choudhury"), and allowed claims 3-8.

In this response, Applicant traverses the § 102(e) rejection. Applicant respectfully requests reconsideration of the present application in view of the following remarks.

With regard to the § 102(e) rejection of claims 1, 2 and 9-16, Applicant again notes that the Choudhury reference was apparently assigned at the time of its issuance to Lucent Technologies Inc.
